

Summary of FLET'S Hikari Light

Envisioned Rates

Monthly usage charges

Various rates available according to volume of communications use

¥ 5,600

¥ 4,970

FLET'S Hikari Next
(Family High Speed Type)

¥ 2,800

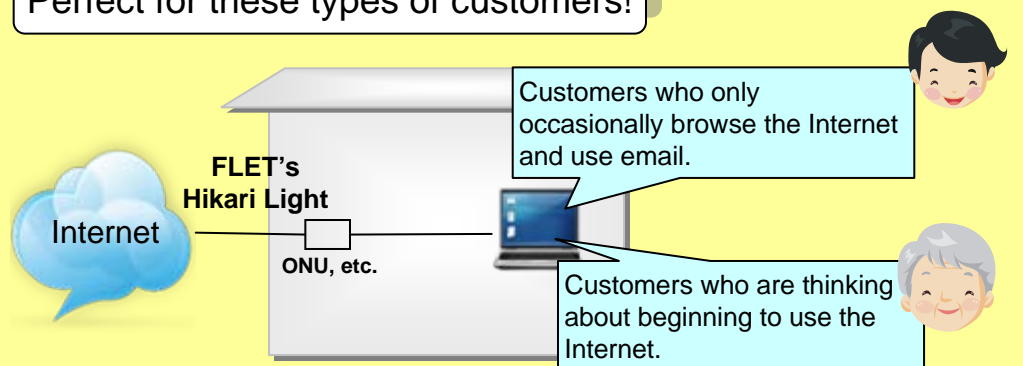

200MB

1.2GB

Communication volume/month

Fees reflect FLET'S after the Atto discounts and consumption taxes but do not include provider fees.

Perfect for these types of customers!

Only pay for what you use as there is a specific fee basis. Because the rate is capped, one has peace of mind.

Service Specs (plan)

Functions	Basic function: Internet connectivity, etc. Optional services: Hikari Denwa, Hikari TV, etc.
Maximum transmission rates	Maximum 100 Mbps uplink and downlink
Usage charges (excluding consumption taxes)	Base rate: ¥2,800/month (plan) Maximum: ¥5,600/month (plan)

Service Launch

Scheduled for January 2012

Service details, conditions of use, rates, etc., are as currently planned. We plan to provide details separately in an official release.

The adopted discount will deduct the monthly usage fee, under the condition of two year continuous use. We plan to charge users a cancellation fee for early termination.
